PLE AC/EA & ZLAC @ FAIR Pilgrim Ln Presents:

December 27-30

COUNT DOWN TO THE NEW YEAR

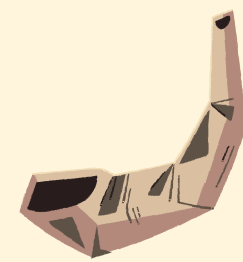

During these 4 days of fun, students will learn about four different cultural New Years celebrations. Diversity activities teach young children to respect and celebrate the differences in all people. Learning about different cultural aspects offers new experiences for children. It also helps them realize that we're all humans, despite differences in how we look or dress, or what we eat or celebrate.

Monday 12/27

This day we will be learning about Diwali, India's Festival of Lights. Students will have the chance to make Diwali Bells, and create a lotus panting from sand.

Tuesday 12/28

This day we will be learning Rosh Hashanah. Students will create a shofar as they learn more about the Jewish New Year.

Wednesday 12/29

This day we will be celebrating the traditional American New Year by throwing a count down NYE party featuring DJ Howie Do It of Kids Dance MN from 1pm-3pm.

Thursday 12/30

The Year of the Tiger will guide our fun while students learn more about the Chinese New Year, create dragon puppets and watch the Movie "Mulan" (G).
